

here now which was not here then; there was no house at that time further than— I think there were only two houses on the street at that time down here at that time.

There was a house right opposite us but it was closed up, right opposite the garage; it was close up, no one in there at all at that time; the people had left. I know them very well.

BY MR. STUDER:

Q Now, so as to make this drawing a little clearer, the house directly behind your garage was occupied by people named Wilson; is that right?

A Yes.

Q Put a "W" there.

MR. PALZER: Put the name in.

Q Now, behind the Wilson house are two others facing on Brown Avenue?

A Yes.

Q Who occupied them at that time?

A Mellinger.

Q Are they Lavalette people?

A He is there a great part of the time; they are Philadelphia people, both these people, but Mr. Mellinger I will bring him in later.
